

N H L E N D

P R O G R A M

*New Hampshire
Leadership Education
in Neurodevelopmental
& Related Disabilities*

Are you a *graduate student* or *professional* who is committed to working with *children who have disabilities and their families*?

Do you want to develop your *interdisciplinary leadership* skills?

Then become a member of the national LEND network—we train leaders!

NH-LEND GRADUATES:

- Hold leadership positions in local, state, and national health agencies and organizations;
- Provide services for early intervention programs, school districts, and developmental disabilities service agencies;
- Continue academic pursuits through doctoral level studies and research participation;
- Advocate for systems change and public policy for children who have special health care needs and their families.

**Applications are currently being accepted
for the 2015-2016 academic year.**

Competitive scholarships available to qualified applicants!

Institute on Disability/UCED

The NH LEND Program is supported by a grant (#T73 MC 00024) from the Maternal and Child Health Bureau, Health Resources and Services Administration (HRSA), U.S. Department of Health and Human Services and administered by the Association of University Centers on Disabilities (AUCD).
