Partnerships Promoting a Culture of Inclusion in Maine’s Early Childhood Workforce

Linda Labas, M.Ed., Early Childhood Coordinator
The University of Maine Center for Community Inclusion and Disability Studies, UCEDD

Policy Statement on Inclusion of Children with Disabilities in Early Childhood Programs
“States should ensure that existing early childhood professional development and TA efforts always consider and are inclusive of all children with disabilities.”

HHS/DOE Joint Policy Statement - September 2015

Maine’s Response to Joint Policy Recommendations
Our Continuum of Learning and Support Activities
The Maine UCEDD serves as a statewide resource and collaborative partner in advancing inclusive policy and practice in Maine’s early care and education system.

Some Recommendations from the Joint Policy Statement:
• Ensure that Quality Rating Frameworks are inclusive.
• Build a common knowledge base across child-serving providers.
• Assess and improve the quality of inclusion in early childhood programs.
• Ensure access to specialized supports.
• Offer cross-sector professional development and technical assistance.

The University of Maine Center for Community Inclusion and Disability Studies, Maine’s University Center for Excellence in Developmental Disabilities (UCEDD), is sponsored by the U.S. Department of Health and Human Services, Administration for Community Living, Administration on Intellectual and Developmental Disabilities (Grant No. 90DD0005).

Partnership activities supported by funding to Kennebec Valley Community Action Program from an Early Head Start-Child Care Partnership grant and through contracts 13-616, 15-618, and 18-618 from Maine Department of Health and Human Services (MeDHHS) to University of Southern Maine (Sonja Howard, PI), and contract 15-620 from MeDHHS to University of Maine (Alan Cobo-Lewis, PI). The MeDHHS contracts were supported in part by Child Care Development Block Grants.
